

# Muhammad Muneeb Iqbal

MERN Stack Developer

+92 3095075940 ◇ muneebiq24@gmail.com ◇ Wah Cantonment, Punjab, Pakistan

## SUMMARY

Final semester Computer Science student with a strong foundation in Flutter development, complemented by experience in MERN Stack and Laravel. Skilled in building full-stack and cross-platform applications through academic and project-based work. While my core focus is development, my background in **Business Support** roles has strengthened my problem-solving, organization, and data management skills, enabling me to approach software challenges with a practical, detail-oriented mindset.
